

community liaison officer

Seasons is more than just an incredibly exciting whole new way in aged care. It is a new industry benchmark – looking for a **Community Liaison Officer** to join our supportive team.

Our Community Liaison Officer will be responsible for increasing the profile, creating sales leads and improving community awareness of all existing and upcoming Seasons villages in suburban Brisbane south-side and Ipswich shopping centres.

Selection criteria

You will have;

- experience in lead generation and at least 3 months experience in shopping centres
- outgoing, warm personality with the ability to create relationships with potential and existing residents – specifically aged people and their families
- ability to transport and setup presentation displays in shopping centres across a broad region
- demonstrated ability to work independently and in a multi-disciplinary team
- your own transport and drivers license

Initially, employment will be on a 3 days per week casual basis with a view to becoming permanent part time; a competitive hourly rate is offered plus generous commissions.

Application instructions

Applicants are requested to apply online. When completing the application process please ensure that your resume and covering letter attachments are either in Microsoft Word or PDF file format. To find out more about working at Seasons visit www.SeasonsAgedCare.com.au
